Guest Speaker: Tom Hogan, Commodore, Transpacific Yacht Club, who'll be discussing the 50th running of the Transpacific Race that kicks-off Wednesday, July 10, 2019.

Commodore's Corner
Rick Dinon

As I write this from the boat, the weather is terrific. Opening Days are in full swing; I have probably seen many of you at these wonderful events. Incidentally, we had a great drive from our mountain home to Silver Gate Yacht Club for our March meeting. On the 15 freeway, yellow and orange blooms coated the hillsides. Spring has arrived!

It's hard to believe that the Midwinters were only six weeks ago! Speaking of Midwinters, mark your calendars for the weekends of February 8 & 9 and 15 & 16, 2020. Participating in the Midwinters either as a racer or a host club connects you with a rich history, hundreds of other sailors, and a break from the winter doldrums. The weather tends to be good. And, if the weather is sloppy, you'll gain bragging rights, too.

Hey, a note to our member clubs: consider participating in the "Summer Solstice" weekend of June 22nd. There is literally nothing for you to do-- total turnkey, just publicize. However, it isn't limited to sailing. It is an opportunity to get boats on the water with owners and club and other guests...as many as possible. Get all your club members out on everything from paddleboards, Duffys, dinghies, kayaks, or whatever it takes. It enhances, but does not conflict with, any other scheduled activities. See summersolstice.com. Also, be sure to check out the link at the top of this edition for our race calendar. It's a terrific way to schedule a season's race events and try some new venues.

Finally, seeing all the activity at the opening days and having just had an SCYA planning meeting, I want to take this opportunity to recognize all the hard work and volunteer effort put in by the memberships of our member clubs and SCYA itself. Well done!

N2E Update
Laurie Morrison, NOSA

Newport to Ensenada #72 is shaping up to be another amazing race with great diversity in its participants. NOSA is pleased to welcome back Dick McNish and his pre-WWII era yawl, *Cheerio*, that will cross the start line to our favorite Mexican destination, as will *Lux*, the ultra-modern AC 45. The former Oracle practice boat will have its own chase boat as it makes its way south. To experience all the fun and excitement these and other boats will bring to the race, sailors need to tack over to nosa.org and sign up. The entry fee goes up by \$100 on April 1, and the deadline for entering is April 11. Don't miss out! would-be sailors will have to catch the action on the YB Tracking website or App.

2019 is the 50th Transpac Race and it is now the largest fleet in the history of the race.

SHORELINE YACHT CLUB

As in the past, SYC has agreed to assist the participating sailboats. This year Long Beach Yacht Club will be partnering with us. We are responsible for the send-off of the fleets on each of the start days, July 10th, 12th and 13th.

We are hoping to involve SYC and LBYC members to be boat hosts, provide spectator and press boats among other tasks.

Bruce Davis and Paul Tardiff, SYC Transpac Committee Chairs, and Ann O'Hara from LBYC are hosting a Planning Meeting to keep the ball rolling. Please attend if you are interested in helping.

From the Vice Commodore

SCYA is pleased to present the Medical Emergencies at Sea Seminar at Long Beach Yacht Club on Saturday, April 13th, 9:00 AM to 3:00 PM. Registration begins at 8:30 AM and the \$60 admission includes a continental breakfast and lunch. This seminar is a must for all offshore racers and cruisers.

Unfortunately, accidents do happen and you need to be prepared to provide first aid when emergency medical services are not immediately available. Not only do you need to know what to do, it's just as imperative to know what *not* to do.

This informative seminar will be conducted by medical professionals. Dr. Michael Stone is SCYA's 2019 Fleet Surgeon and will be accompanied by Dr. Jerry Hughes. Both have years of experience in Emergency Medicine and are active in recreational boating.

If you plan on participating in Newport-to-Ensenada, Transpac, or simply expecting to cruise over to Catalina Island this summer, you need to attend this seminar. On-board accidents are always an emotionally-charged situation which require a cool head and the knowledge to safely deal with a medical issue, should one arise. Drs.

Stone and Hughes will provide you with the knowledge to handle puncture wounds from fish hooks, burns, concussions, lacerations, simple and compound fractures. Be a hero and register for the Medical Emergencies at Sea Seminar at SCYA.org. Questions? Call Sylvia Wheeler in the SCYA Service Center at (562) 433-7426.

SCYA's Goin' Country!

In an effort to recognize the unique frontier needs our new member clubs in Arizona and Utah, the Board of Directors recently and unanimously voted to change the style of traditional blue blazers to those with a western flair, effective immediately. "The plain blue was getting boring anyway," Chuck Jeglikowski, SCYA treasurer, said.

Although the traditional blue continues to be the color of choice for the boating community, flowery embroidery at the

lapels is mandatory. Fringe is optional.
