What's New, Pussycat?
From the Vice Commodore

Alooooooha! The 2019 Transpac race starts are July 10th, 12th and 13th off Point Fermin in Long Beach. We expect to be on the water to see the boats off on their 2,225 mile race to Waikiki, Hawaii! All the boats have been weighed and inspected and are ready to go! SCYA's contribution to this year's Transpac Race was

the “Medical Emergencies at Sea” Seminar at Long Beach Yacht Club on April 13th. Our yacht club’s entry in this year’s race sat in the front row at the seminar, soaking up all the information from Dr. Stone and Dr. Hughes. Apparently, they took copious notes as they are now equipped with sutures, IV bags and even one of their crew is a physician! They’re equipped like a hospital ship heading to Hawaii!

There are quite a number of SCYA officers and directors taking a flight out to Oahu to where they finish the fleet in Waikiki. Also, a welcoming team from our yacht club will be on hand to greet our intrepid crew as they deliver a brand new yacht club burgee to replace our 41-year-old burgee at Waikiki Yacht Club. Waikiki Yacht Club has over a thousand yacht club burgees on display from around the world! We’ll see you on the water!
